## HOW TO MAKE HUNDREDS OF DOLLARS BUYING JALEN HURTS NOW

Just as we have laid out in a previous article, Jalen Hurts 2020 Select Concourse Silver Prizm #50 is a buy in bulk and get graded play, and **NOW** is the time to do it! If you haven't read the article on the math behind what I am about to show you, click on this link [Learn How To Make Hundreds of Dollars on Baseball, Basketball, Football, Hockey and Soccer Card Plays - NoOffseason.com | Sports Card Strategy & Investment Reports](#) and read about other viable plays before reading the rest of this so that you understand the equation on how to flip this card for profit. You can buy however many your budget allows, however I use 20 cards because that is what it takes to get the bulk grading submission at PSA.

**I can't do an article on how to make money on Jalen Hurts without including a crack and resubmit opportunity as well!  
Buy 2020 Prizm Silver #343 SGC 10 \$476 4/26/23  
Crack and Resubmit to PSA as a PSA 10 most recent sales is \$820 5/9/23.**

**Lets say you have \$600 with shipping taxes and grading in the SGC 10 that leaves you over \$200 of profit margin opportunity!**

**Buy 2020 Chronicles Prizm Black Silver #19 SGC 10 one last sold on 5/3/23 for \$145.**

**Crack and Resubmit to PSA as a PSA 10 most recently sold on 5/3/23 for \$260.**

**Assuming you have \$200 in the card with taxes and shipping that leaves you with about a \$60 profit opportunity.**

**If you are a bit riskier buy an SGC 9.5 last sale was \$75 on 4/27/23 if you get a 10 increases your profit margin if it gets a PSA most recent sale was \$65 on 5/9/23 so not a ton of risk for more reward!**
